Print a few copies of the worksheet. Encourage your child to practice regularly. Remain patient and praise their effort!

Unsure what activities to do with your child to get them ready for school? We want to help you!

Join us for a trial class. Our weekly 50-minute learning program uses fun brain-boosting games for kids aged 6 months to 4 and a half years old. Learn smart techniques to help your little one thrive and excel! Our classes are guaranteed to have them learning all while having fun.

Visit our website or contact us today to learn more about how you can support your child's growth with the Shichida Method.

Scan the QR code [or click here](#) to book your trial class. Use the code FUN50 to enjoy 50% off!
